Dogs On Course in North America, LLC DOCNA Member Database

Because we value the competitor's choice to spend their time and agility dollars having fun with their dogs in this organization, DOCNA has plans underway to build a competitor database that will allow competitors to register their dogs online and view their individual records for trials and title listings online.

Until at least February 1, 2012, membership access to the DOCNA database will be free to all competitors with a registered dog. After February 1, 2012, a reasonable yearly fee (to be determined) may be required to access the service. This fee will help to maintain the site and compensate for the services being offered.
