- All dogs competing must have a RAINE Registration Number. Registration is available online at www.rsaagility.com.
- The postmark (not the delivery date) will determine the entry order. If the trial is not able to accommodate all who wish to enter, a waiting list will be created in the order of postmark dates with random draw for the order within each date. Entries close not later than 6:00 p.m. May13, 2019, after which entries may not be accepted, cancelled or changed.
- There will be a \$30.00 service charge for any returned check. Checks not honored by the bank do not constitute a valid entry fee.
- All confirmations and trial information will be sent via email to the email address designated on your entry form. It is your responsibility to make sure that the secretary's e-mail address peggy6632az@gmail.com is allowed by your spam blocker or to change options that strip attachments from emails. - All dogs must show in the height class they entered in, unless measured into a higher jump height class by the judge. Dogs that measure into a higher height class will run at the end of the running order for that height class or for exhibition only in the lower height class.
- THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care, custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site. In such case, no refund of fees paid will be made.

- In the event of incident at the trial location, RAINE requires that the owner of the dog report the incident to the show committee, as required by insurance rules.

WARNING!

Please keep your dog on leash at all times other than when preparing to run, running or using a designated area for dogs off leash. Please clean up after yourself and your dog. Don't let your male dogs pee on trash cans, ring fencing, equipment or anything that people have to handle.

COLLARS IN THE RING

Collars, with appropriate ID, will be permitted on the course only at the beginner level for trials held outside. Acceptable collars may be flat or rolled collars with a buckle or plastic release clasp. It is acceptable to keep tag bags that contain license tags and owner information on a collar as long as it fits securely on the collar. Collars with dangling tags, martingale type loops, haltis, gentle leaders, harnesses, and any electronic training devices (including, but limited to shock, bark, pinch and citronella) will not be allowed in the ring.

TRAINING DEVICES

The following devices are not allowed at the trial site: shock collars, bark collars, pinch collars, electronic training/collar devices.

TRAINING IN THE RING

RAINE allows competitors (at any level) to train with a SMALL, NON-NOISE-MAKING toys in the ring. You will be allowed to bring a toy into the ring ONLY if you declare your intention at the start of your run. NOTE: Having a toy on your person without declaring FEO at the beginning of the run is grounds for dismissal from the trial for the rest of the day. You will be able to train for a max time of 60 seconds (or less at the judge's discretion). The scoring is elimination. Please ask the judge if you have a question about the toy you plan to use. RAINE does NOT allow treats or food of any kind on course. Please make sure your "treat bag" toys do not have food in them. The penalty for treats on course is elimination from the trial for that day.

If you do not declare training at the start of your run, but instead decide to train in the middle of your run (no toy), you will have your remaining course time up to 60 seconds to do whatever training you want, as long as it is considered safe (judge's discretion). The scoring is elimination. Please note that you may NOT use a toy in this situation. NOTE: Having a toy on your person without declaring FEO at the beginning of the run is grounds for dismissal from the trial for the rest of the day.

AWARDS

Desert Dawgs will offer ribbons for First through Fourth place in each class for each jump height class. Ribbons in the RAINE colors of Red, White and Blue will be offered to every dog obtaining a qualifying score.

First through Third place ribbons will be presented in the North America Challenge for each jump height class and level. Every dog obtaining a qualifying score in the North America Challenge will earn a teal Qualifying Ribbon.

MOVE-UPS

After submitting your entry form, we will accept move-ups or changes in writing only (or e-mail to peggy6632az@gmail.com) through May 16, 2019 until 6 pm. No changes will be accepted after this date. This includes if there are any changes that need to be made because of incorrect entry on trial secretary's part. Please read your confirmations carefully prior to May 16, 2019.

REFUNDS

- There will be no refunds for entries withdrawn after the closing date. When bitches in heat are not allowed at a trial, the club will refund 100% of that dog's entry fee if the request to withdraw is accompanied by written veterinary note.
- There will be no refunds for entries in the event a dog and/or handler is dismissed from competition, regardless of the reason for such dismissal.

CHECK-IN AND MEASURE

Owners are responsible for entering the proper jump height division. Dogs entered requiring measurement must be available for measurement during the check-in time. You can download a measurement form at www.rsaagility.com in the Forms Library. Completed measurement forms must be turned into RAINE. You will be emailed a permanent height card. Please review the information on the measurement form to determine which measurement option is available to you. Any dog that measures within ½ inch of their jump height cutoff will require an official measurement by the show judge of record in order for the dog to be allowed to compete (all dogs must be measured now unless they have a completed form or card) unless the owner/handler can show that they have completed the requirements of the measurement form or obtained a permanent height card from RAINE.

PRE-CHECK-IN

If you include a readable photocopy of your dog's RAINE measurement form that has been completed by a RAINE judge or a RAINE permanent height card with your entry, you will be automatically checked in as far as the measurement. You will still need to check in so the trial can confirm your presence. This does not apply to dogs that need to be measured.

In order to compete in RAINE events, you must register your dog at www.rsagility.com. The registration fee is \$10/dog (\$12 when using PayPal). You must first register yourself as a member and then register your dogs. Please note that the member and dog information that you provide will be used to print and mail title and award certificates and may be needed in the event we need to contact you. Please enter complete and correct information and remember to keep it up to date. You must send payment for your dog registration before you compete in a trial or within 30 days or registering or you will be deleted from the RAINE database.

The RAINE rule book is available to read or print online at <http://www.rsagility.com/RuleBook.aspx>. **NOTE: the rulebook needs updating, please refer to the May 1, 2018 email for current rule changes.**

DIVISIONS

Competition Division

The Competition Division is the most demanding division for both the dog and handler, jump heights are 8", 12", 16", 20" and 24". Double jumps may be used at the Intern level and double and triple jumps may be used at the Specialist level. This division is also the most demanding in terms of standard course times in each event. **Entry Eligibility** - Any physically capable dog over the age of 15 months may enter the Competition Division.

Select Division

The Select Division is somewhat less demanding than the Competition Division. The jump heights are reduced by 4", standard course time is 15% more than the Competition Division, no double jumps. **Entry Eligibility** - Any physically capable dog over the age of 12 months may enter the Select Division.

Veteran Division

The Veteran Division is for those dogs that have reached 7 years of age, but are still physically capable of doing competitive agility or dogs being handled by anyone 60 years of age or older. The jump heights are the same as the Select Division, standard course time is 20% more than the Competition Division. **Veteran Dog Opportunity** allows for special circumstances that may allow you to lower the jump height by 4". Please see rules at www.rsagility.com. No double or triple jumps may be used. **Entry Eligibility** - Any physically capable dog 7 years old or older or any physically capable dog that is handled by a competitor that is 60 years old or older may enter the Veteran Division.

Grand Veteran Division

The Grand Veteran Division is for those dogs that have reached 10 years of age, but are still physically capable of doing competitive agility or any handler 60 years old or older handling a physically capable dog who is 7 years old or older. Competitors/handlers are required to jump their dog at least 4 inches lower than their Select/Veteran jump height. Standard course time is 25% more than the Competition Division. **Entry Eligibility** - Any physically capable dog 10 year old or older or any handler 60 years old or older handling a physically capable dog 7 years old or older may enter the Grand Veteran Division.

Junior Handler Division

The Junior Handler Division is geared towards encouraging younger handlers to be involved in the sport. Jump heights are reduced to 4", 8", 12", 16" and 20" in the Junior Handler Division, no double or triple jumps may be used, and standard course time is 20% more than the Competition Division. **Entry Eligibility** - Any physically capable dog handled by a competitor who is between the ages of 7 and 16 years of age may enter the Junior Handler Division.

We generally believe that 7-8 years of age is the optimal age for a handler to start competing, but realize that there are some exceptional kids who are ready to compete earlier than age 7. A parent/guardian who feels strongly that their child is ready to compete may contact RAINE (info@rsagility.com) and provide information on age of child, training that their child has done, experience of their child, experience of the child's dog, etc., and RAINE will review the situation and approve on a case by case basis. Additionally, competitors who are younger than 7, but have titled a dog in another venue may enter this division. Juniors (ages 7 and older) may compete in other divisions at regular jump height and standard course time.

Physically Challenged Dogs

Physically Challenged Dogs mainly includes, but is not limited to, canine amputees and visually or hearing compromised dogs. Our primary concern is for the safety of the dog. We acknowledge that canine health encompasses both the physical and the mental aspects of life. Physically challenged dogs that may otherwise be in good health and that display the desire and ability to safely execute required obstacle performances are welcome to enter and compete. **Entry Eligibility** - Canine amputees should acquire a letter from their veterinarian stating that the dog is capable of competing in agility and that the dog will not likely suffer any long term affects above and beyond what might be normal for dogs that engage in this sport. The letter should be available on request for view by the judge or trial committee. A judge and/or trial committee reserves the right to excuse/dismiss a dog from competition that appears to be in obvious pain or discomfort and/or to designate that a dog be limited to specific classes and/or be placed under a jump height restriction. The owner of the dog may appeal a judge's/appointee's trial decision to the RAINE offices for a binding ruling.

RAINE supports the desire of these dogs to play in agility and allows these dogs with the opportunity to earn qualifying runs and titles, but placements are not appropriate in this category. Dogs competing at a jump height lower than the official jump height for their size may not achieve a placement over a dog jumping at its regulation jump height.

Physically Challenged Dogs that have visual or hearing challenges but have demonstrated the ability to perform at a higher level by either having competed in another venue or have completed training that establishes the team as safe to compete physically at a higher level are approved to compete in the division for which they are eligible.

Handicapped / Handlers with Disabilities

RAINE provides a special designation for disabled/handicapped exhibitors. Such exhibitors will be allowed extra time for qualifying purposes only. There will be a place on the entry form to designate this category. When entering as a disabled/handicapped handler, it is required that you enter all events with this designation. Dogs entered with handlers in this category will still be placed with the dogs jump height. The best time/most points will always place higher. RAINE trusts that only exhibitors who have documented medical conditions will enter this category. Disabled/handicapped handlers will receive additional time in titling events.

LEVELS

The experience level that a competitor may choose to for each event is based on the certificate of merit (titling) record of an individual dog. It is always considered appropriate that a competitor will start a dog at the Beginner level in all RAINE titling events. Competitors may opt to grandfather into higher levels in certain events based on their level of achievement in other organizations. See the Grandfathering section in the rule book.

Beginner

The Beginner level is the first experience level in all divisions. Its purpose is to offer a successful experience and a reasonable level of challenge for the beginning dog. Within each division and titling event, the Beginner level is open to any dog who has not recorded a qualifying round in the Specialist level for that titling event. Dogs may move back one level but not two (you cannot move to beginner level in any titling event after achieving a qualifying round at the Specialist level in that same titling event). Dogs may not move up to the Intern level until they have earned a certificate of merit (title) for that titling event (exception is the experience grandfathering clause if applicable).

Intern

The Intern level is the middle experience level in all divisions. Its purpose is to offer challenges that demonstrate dog responsiveness on obstacles and competitor confidence with a variety of handling techniques at a greater rate of speed. Within each division and titling class, the Intern level is open to any dog that has earned a certificate of merit (title) at the Beginner Level for that titling event. Dogs at the Intern level may move back one level to Beginner if it is desired. Dogs may not move up to the Specialist level until they have earned a certificate of merit (title) for that titling event (exception is the experience grandfathering clause if applicable).

Specialist

The Specialist level is the top experience level in all divisions. Its purpose is to offer agility challenges that require a variety of handling techniques and demonstrate dog and handler teamwork at the highest rate of speed. Within each division and titling event, the Specialist level is open to any dog that has earned a certificate of merit (title) at the Intern level for that titling event. Dogs at the Specialist level may move back one level to Intern if it is desired, but they may not move back more than one level (to Beginner).

JUMP HEIGHTS

Handlers may always choose to jump their dog higher, but will be placed and have the Standard Course Time (SCT) of the dogs in that higher height. The following heights are not available in RAINE: Select 24", Veteran 24", Grand Veteran 20" and Jr. Handler 24".

HIGHER: If a handler chooses to have a dog jump higher than his measured/registered jump height, the equivalent Competition Jump Height for that new chosen height is used. For example, a dog measured to run 16" in Competition runs 16" in select instead of the usual 12" -- the SCT used will be the SCT for the 20" height. (Measured Competition Division Height + 4") SCT + XX% (Division) = time

LOWER: If a handler chooses to have a dog jump lower than his measured/registered jump height as allowed in Veterans only, the equivalent Competition Jump Height for that chosen height is used. For example, a dog measured to run 16" in Competition runs 8" in Veterans instead of the usual 12" -- the SCT used will be the SCT for a 12" dog. (Measured Competition Division Height - 4") SCT + XX% (Division) = time

All measurements Are at the withers	11" & under	14" & under	18" & under	22" & under	Over 22"
Competition Division	Jump 8"	Jump 12"	Jump 16"	Jump 20"	Jump 24"

EVENTS OFFERED

Standard Agility - Standard Agility will challenge the handler/dog team with both distance sections and close proximity handling challenges. The handler/dog team must demonstrate the ability of the team to perform a variety of obstacles on the course while working as a smooth functioning team. All obstacles must be performed without fault and the team must meet the standard course time (SCT) requirements of the division and level.

Jumpers - Jumpers is an opportunity for the dog and handler team to maneuver through a course of jumps at a very fast pace. The only obstacles on a Jumpers course are jumps. Jumpers courses will challenge the handler/dog team and have both distance sections and close proximity handling challenges.

Traditional Gamblers - Traditional Gamblers is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully for the specified opening period of time. At the end of the point accumulation period, the dog must successfully complete a distance challenge (gamble) at the required distance for level and division, and then stop the clock for time. The handler/dog team must be successful in both parts of this event to qualify.

Strategic Time Gamble - Strategic Time Gamble is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully. There are two (2) parts to this event, a point accumulation period (opening) and a strategic gamble period (closing); the handler plans a course that will allow the dog to cross the finish line at as close to maximum time without going over. The handler/dog team must be successful in both parts of this event in order to qualify. Ribbon placement is not possible for dogs that are over time.

Snakes N Ladders - Snakes N Ladders is a strategy game played on a course that consists only of tunnels, contact equipment and weaves. The handler plans a course to complete all the contact and weave obstacles with at least one tunnel in between each obstacle and cross the finish line as quickly as possible. There is only one level (Specialist) and it is open to all competitors regardless of their level. Any Beginner or Intern dog that qualifies will earn a Beginner or Intern Q (as needed to meet merit title requirements) IN ADDITION to a Specialist Q.

Trigility - Trigility is a team strategy game that tests the agility ability of a 3 handler/3 dog team to complete on one agility course consisting of mini standard, jumpers and gamblers courses. The goal is to complete all 3 courses in the shortest amount of time and to have one team member successfully complete a mini gamble test.

There is only one level (Specialist) in Trigility and teams from all levels are welcome to compete. It is the handler's choice to pick their partners or enter as a draw. Any Beginner or Intern dog that qualifies will earn a Beginner or Intern Q (as needed to meet merit title requirements) IN ADDITION to a Specialist Q.

North America Challenge Event – Championship Qualifier - This is a unique agility run that is scored under the same rules and SCT as Standard Agility. An off course is now judged as 10 faults. In order to qualify for the 2019 RAINE National Championships event, competitors will be required to earn one (1) clean (0 faults) North America Challenge OR two (2) North America Challenge qualifying round with a maximum of 12 faults (or less) OR 3 NQ North America Challenges (shows support for the venue) AND have competed in a RAINE Sanctioned Trial between July 29, 2018 and August 1, 2019.

2019-2020 Qualifying Period: The North America Challenge is a Specialist only class. Intern level is no longer offered.

The qualifying period for the 2019 championships is June 1, 2018 to August 1, 2019 (with a possible inclusion of late August and September trials in Colorado). In addition, you must enter 1 RAINE trial between July 29, 2018 and August 1, 2019.

2019 CHAMPIONSHIPS

The 2019 Championships location is Denver (area), Colorado. We will be offering the usual Standard and Jumpers at all levels, but also a Specialist NAC, Called Last Chance North America Challenge.

If you have attended at least 1 trial and attempted, but failed, to earn an NAC qualifier with your dog, that dog will still be allowed to enter Traditional Gamblers, Strategic Time Gamble, Snakes N Ladders, and Trigility at the championships (good for 2019).

The Standard and Jumpers warmup runs will be open to any dog, whether qualified or not for the championships. The Last Chance NAC (Specialist level) will be open to any dog who has a made previous attempt to qualify for the 2019 championships, with the idea that if the Last Chance run is qualifying, that dog will be eligible to enter the full championships on the weekend.

Snakes N Ladders and Trigility will be single level events, scored at the specialist level.

There will only be Specialist NAC going forward.

PRINT CLEARLY or TYPE all the following information. Entries must be received by May 13, 2019. Any Express mail entries must include signature permitting them to be left at the Secretary's address without recipient signature. **Entries received before May 3, 2019 will have an "Early Bird" discount of \$2 off per run, or \$15 off package per dog.**

ENTRY AGREEMENT

I (We) agree that Rockstar Agility Network (RAINE) and Desert Dawg Sports has the right to refuse this entry for any cause, which the organizing committee, in its sole and absolute discretion, shall deem to be sufficient. In consideration of the acceptance of this entry, of the holding of the event and of the opportunity to have my dog(s) participate and/or to be judged, I (we) agree to hold Desert Dawg Sports (including its members, officers, directors, and organizing committee), Rockstar Agility Network (RAINE) including its owners, rule committee, members, officers, directors, agents and

employees, sponsors of the event, owners of premises upon which the event is held, and their employees and agents, harmless from and against any and all claims for loss, damage or injury which may be alleged to have been caused, directly or indirectly, to any person, animal or thing by the act of this dog(s) while in, near or upon the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim, loss, damage or injury. The person who signs this agreement represents that he/she is authorized to enter into this agreement on behalf of both exhibitor and the owner of entered dog(s). In consideration of acceptance of this entry and for other good and valuable consideration, I (We) further agree as follows:

As used herein "RAINE" means Rockstar Agility Network, its owners, rule committee, members, officers, employees, show chairs, show committees and agents. Handlers/Competitors/Exhibitors/Owners, agree to abide by the rules and regulations of RAINE and any other rules and regulations appearing in the premium for this event.

I (We) further agree to hold the aforementioned parties harmless from and against any and all claims for loss of this dog, by disappearance, theft, death or otherwise, and from any and all claims for damage or injury to the dog, whether such loss, disappearance, theft, damage, or injury, be caused or alleged to be caused by the negligence of the parties aforementioned, or by the negligence of any other person, or any other cause or causes. Further, I (we) recognize that there are inherent risks, to both dog and handler, in the sport of dog agility, and I (we) expressly assume all such risks to myself/ourselves and to our dog(s).

Handlers/Competitors/Exhibitors/Owners acknowledge all hazards and I (We) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from and against any and all loss and expense (including, but not limited to, legal fees) by reason of the liability imposed by law or otherwise upon any of the aforementioned parties for damage because of bodily injuries, including, but not limited to, death at any time resulting there from, sustained by any person or persons including myself (ourselves) or on account of damage to property, arising out of or in consequence of my (our) participation in this event, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may have been alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other persons.

RAINE assumes no responsibility for local site conditions, including, but not limited to, such things as: the conditions of the floors, ground, soil, agility field or ring(s), fences, gates, stalls, bathrooms, stairways, hallways, lighting, structures (or any other part of the facilities); security measures or lack thereof; electrical plug-ins, receptacles, or appliances; show rings and equipment used in fencing the rings; parking areas and drives; agility obstacles; air or water quality; and the presence of unfamiliar animals, people, sights, sounds, smells and/or any other condition(s).

ASSUMPTION OF RISK, STATEMENT OF RESPONSIBILITY & WAIVER OF LIABILITY

I (We) understand that agility is an activity that is held in the presence of other dogs, their owners/handlers and other spectators and pets. I (We) also understand that the participation of my dog(s) and myself in agility will require physical activity on my part and on the part of my dog(s). I (We) also understand that this activity will involve, among other things, running, jumping, and the use of obstacles, including, but not limited to, tunnels, scaling planks, jumps, and tires which could result in injury to me, to my dog(s), or others. I (We) represent that I am in good health and my dog(s) is in good health and we are both in good and sufficient physical condition, and fully able to participate in the sport of dog agility. I (We) further represent that my dog is friendly and not a hazard to persons or other dogs and has never exhibited aggressive behavior toward people or any other dogs; **that I am participating at my own risk**; and that I will not hold the trial club/group or any committee member, nor RAINE liable for any loss, liability, claim, injury, illness, expense or other hardship that may arise in connection with my participation and/or my dog's participation in the activity. It is expressly understood and agreed that every dog participating, including, but not limited to, my dog(s) is in the care and custody and control of his owner or handler at all times on the premises. I further agree to assume full responsibility and liability for any and all injury, liability, claim or damage caused in any way by my dog(s) or myself. Any competitor/exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior, may, at the sole and absolute discretion of the Trial/Show/ Committee, be required to leave the show site. In such case, no refund of any fees, costs or expenses paid or incurred will be made, nor will I (We) make any claim therefore.

The club or group or RAINE will not be responsible for any loss, claim, liability, or damage to any dog competing; or for the possessions of any competitor whether the result was by accident, negligence or any other cause.

RAINE has an extensive Event Image and Audio Media Policy which can be read on our website. Please make yourself familiar with it. Your attendance at a RAINE event constitutes your awareness and acceptance of the terms of this policy, which is publically available at <http://www.rsaqilty.com/Photography.aspx>.

I (We) understand that in choosing to run with a collar (beginner level, outside only), I (we) do so at our own risk. A quick release collar is suggested. Acceptable collars may be flat or rolled collars with a buckle or plastic release clasp. It is acceptable to keep tag bags that contain license tags and owner information on a collar as long as it fits securely on the collar. Collars with dangling tags, martingale type loops, haltis, gentle leaders, harnesses, and any electronic training devices (including, but not limited to shock, bark, pinch and citronella) will not be allowed in the ring.

It is agreed that the laws of the State of Arizona shall govern the interpretation of this Agreement.
