**Measurement Process/Permanent Height Cards**

Competitors must complete the requirements of the measurement form as stated below. **ALL** dogs must complete the measurement requirements. RAINÉ does not have specifically designated measuring judges; any judge can sign a measuring form. All dogs must be over two (2) years old to receive the final measurement and permanent height card.

**STEP ONE: HAVE YOUR DOG MEASURED AND YOUR MEASUREMENT FORM SIGNED**

- The judge will sign the form as complete if your dog is over 2 years old AND
  1. Your dog measures in the top height category (over 22") OR
  2. Your dog measures under ½ inch or more from the cut-off.
  
- If you're dog measures at ½ inch or less from official cut-off, you must obtain three (3) judge's measurements that state the exact measured height of the dog. After you have obtained three measurements and your dog is over 2 years of age, the judge will sign your form as complete.
  
- Dogs that complete measurements prior to two years of age will obtain the 3<sup>rd</sup> measurement after they turn two years of age, at which time the judge will sign your form as complete. Prior to turning two, you may use this form with two (2) signatures at check in.

**Optional Methods: Acceptance of Jump Height Cards from Other Organizations**

These options are only available for dogs over two years of age– Pick one option only:

Option 1: Permanent height card does not specify an exact measured height.

You may present your dog's USDAA, NADAC, and AAC, AKC or CPE permanent jump height card (or a copy of the card) that does not specify an exact measured height at measurement, along with a RAINÉ measurement form. One (1) measurement by a RAINÉ judge is required to fulfill the measurement process.

Option 2: Permanent height card, jump height form, card, or database subscriber information specifies the exact measured height of the dog (example 20.75 inches). At measurement, you may present a copy of the above documentation along with a RAINÉ measurement form. The judge will complete the form with the information supplied (no measurement will be **req**uired) **but the dog must be present when using this option.** (Information from multiple organizations may be combined)

**STEP TWO: TURN IN YOUR COMPLETED FORM FOR A PERMANENT HEIGHT CARD**

Once you have received all the required measurements for your dog as outlined above, turn in the completed form to the trial secretary at the trial for submission to RAINÉ for a permanent height card. RAINÉ will issue your permanent height card via e-mail.

- Please ensure your form has your e-mail address included and that it is legible.
- If you would like a laminated copy, most office supply places can provide this service.

**VERY IMPORTANT – Emailed height cards will be sent from the below address**
